Dear Colleagues,

The Division of Minimal Access Surgery of the Department of Surgery, Maulana Azad Medical College, New Delhi is organizing the 5th Biennial International Conference & Advanced Laparoscopic Live Workshop ENDOLAP MAMC under the aegis of Delhi State Chapter of SELSI from 16th to 18th February 2024. This time this event will incorporate the North Zone Midterm Conference of SELSI and also the MCLS/FCLS Exam of the International College of Laparoscopic Surgeons

Like its predecessors, the inaugural First Conference SELSICON 2010 Delhi, the second biennial conference ENDOLAP 2012, the third biennial conference ENDOLAP 2014, and the Fourth Biennial Conference ENDOLAP MAMC 2019, we are sure that this conference will also be a hit among all the delegates.

The event will start with a Hands on Basic and Advanced Laparoscopic workshop on state of the art endotrainers and simulators on the 15th February.

The academic extravaganza will include a rich course content delivered by eminent national and international faculty who are experts in the field of Laparoscopic Surgery. This time we have organized Advanced Live Operative Workshop on the first two days to add a new flavour to the event. We take this opportunity to invite you to register for the conference. We hope you will gain exposure to the state of art in Minimal Access Surgery and return enriched after the scientific deliberations with the conference faculty.
